### **BEVERLY WREN HAS KENNY & ZIGGY'S 1,000,000<sup>TH</sup> MATZO BALL** *Long-time customer at Houston Deli has a ball and collects on it*

HOUSTON – All she wanted was lunch, but ended up taking the Super Bowl.

Just after noon Wednesday, Aug. 22, Beverly Wren glanced over the extensive menu at Kenny & Ziggy's New York Delicatessen Restaurant, and then ordered the matzo ball soup, a dish she's ordered many times in all the years she's been coming to the Galleria-area restaurant.

But this day would be different – as her dish arrived so did television and newspaper cameras and reporters. Then all most all of the wait-staff in the deli appeared tossing confetti and blowing horns. To her surprise, in that simple bowl of soup, was Kenny & Ziggy's 1,000,000<sup>th</sup> matzo ball.

There to congratulate her and present her with prizes was Delimaven (owner and chef) Ziggy Gruber who has been preparing since early summer for the very moment the 12-year-old deli at 2327 Post Oak Blvd would sell its 1,000,000<sup>th</sup> matzo ball.

Ms. Wren, the lucky ball-buyer, was presented with noise, hoopla, gifts and a Kenny & Ziggy's gift certificate worth \$100. She is now the proud owner, too, of a t-shirt that says, "My Matzo Balls are Bigger than Yours!" which is sure to be passed down generation to generation from this day forth.

And for the record, this is not the first 1,000,000 mark for the popular restaurant. At the end of last year, the deli had sold 1,300,625 pounds of corned beef. Coming up for the milestone will be pastrami (657,845 pounds) and cheesecake slices (681,840).

Kenny & Ziggy's New York Delicatessen Restaurant is located at 2327 Post Oak Boulevard in the heart of the Galleria area and business district. For more information about the restaurant, call 713-679-8453 or visit [www.kennyandziggys.com](http://www.kennyandziggys.com).
